## School Cleanup Day

The city would like to thank the Echo School Students, Staff and Administration for their efforts again this year at their annual Community Service Day. The school has been holding this event every May since 2006.

This year they spread bark and weeded in the Museum Garden and Bonanza

Street Garden along the Museum, weeded and did garbage pick up around the school grounds, arboretum and rain garden, washed fire trucks and did various jobs around town and the school.

Thanks for taking pride in the school and our community.

3. You'll receive reading logs to record the titles of books you read this summer.
4. We'll be offering a variety of programs, giveaways, and contests all summer, so pick up a list of events and drop in as often as possible.
5. Updates will be in the City of Echo's Newsletter.
6. There will be a final party with certificates and rewards, August 10th.
7. The library welcomes children of all abilities.

***Remember reading and participation in reading programs is one of the best ways to help your child gain educational success!!!***
