Traveling Lantern Program

Echo Public Library

Upstairs, July 16th 2018 @ 12:30 pm

TRAVELING LANTERN THEATRE PRESENTS:

Traveling Lantern offers a special kind of storytelling... history brought to life! A frolicsome, gleeful and historically accurate play about one of the greatest geniuses who ever lived. From start to finish this show is accompanied by Mozart's breathtaking music. This play is especially designed to introduce young children to the vibrancy of history, the joy of music, and the true story of this very special composer's life. Traveling Lantern has been educating and entertaining children nationwide since 1985. Our mission is to bring great stories to children, to draw them into an active theater experience, to excite their minds and to tickle their imaginations. Everyone is invited / This event is free.

Traveling Lantern has presented programs on Lewis and Clark and Benjamin Franklin for us before.
