## Kiwanis Cleanup 2019

*This year the Kiwanis volunteers had teams working on debris cleanup around town and another team working on flowers. According to Mike Duffy we had 7 large trailer loads of debris taken out and many flowers were planted and planters were cleaned up. They had 19 volunteers in total and several land owners donated personnel and equipment of which made the cleanup so much more doable. The City of Echo would like to thank the Kiwanis, Snow Ranches, Eagle Ranches and all of the volunteers, including our city cat, for their dedication to our community. The cleanup was a huge success and the community hopes this cleanup effort will continue for many years to come. The Kiwanis would like to invite anyone who is interested in joining or helping out with the many efforts this group takes on. Please contact Mike Duffy or Joe Ramos if your are interested.*

*Well I hope you didn't miss this years festivities. The weather was perfect, the cars were spectacular and the crowd was large . Thank you to all who put this on and the local business for their support of our community events . As a new member to our community I was taken back by the friendliness and family feeling this event portrayed. The youth were involved at every turn and*

*that is so important for our future. From all accounts the different planned activities had good participation. The 4 on 4 volleyball tournament was a success, the Fireman's breakfast was very well attended, the concert & dinner went well. From what I hear they are already thinking about next years fun in the sun. Hope you all will attend and /or participate in the coming years. Thank you to all of our Veterans for their dedication and sacrifices for all!!*

## **The Summer Reading Program starts in the City of Echo June 28th at 2:00 pm - August 9<sup>th</sup>**

**Your children are invited to join Echo Public Library's Summer Reading Program and attend the fun programs and events we are planning for children preschool on up. Readers of all ages will explore things all about space and the Universe.**

**Echo Public Library presents "A Universe of Stories"! Activities may include group games, art projects, science and engineering experiments, and more. The programs are free and open to children of all abilities.**

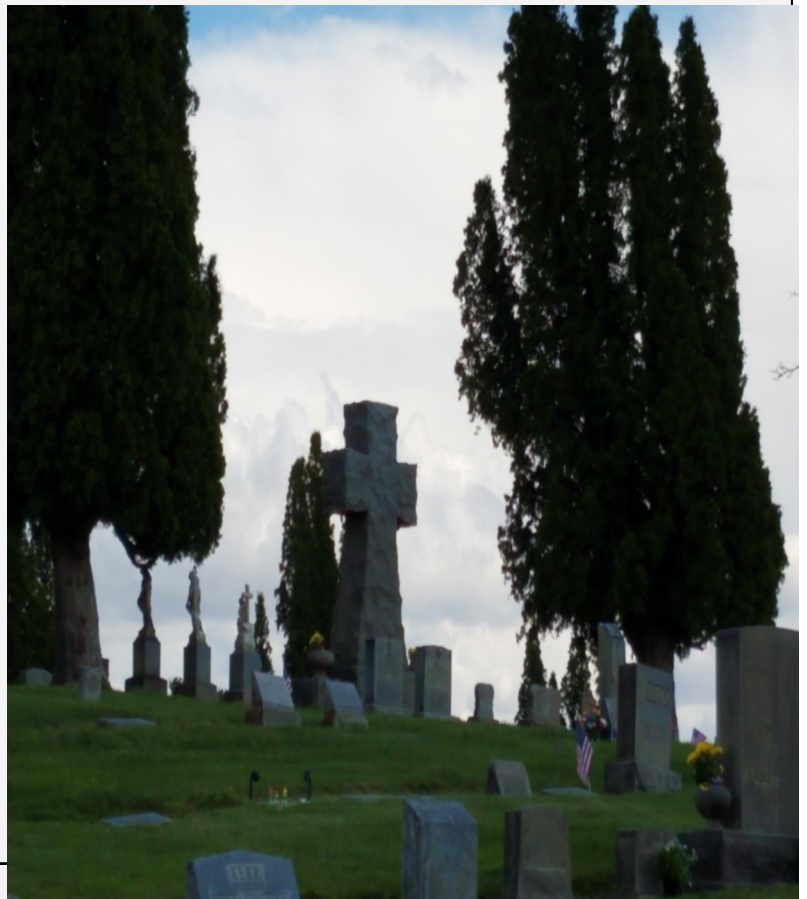

**Stop in at the library for more information and a schedule of events. Program starts June 28th at 2:00 pm - August 9<sup>th</sup> @ the old VFW Building. You can register your children up after June 11th. Come on in and see the Librarian for more information.**

Memorial Day is a day of remembrance of those who have gone before us and to those who serve our great nation. I am proud to say that my parents and grandparents have served our country as did many of you reading this or have family that have or currently do. I also believe that Memorial Day is a day to celebrate the good things in life and enjoy family and friends. The car

show here in Echo was a great example of that community thankfulness and that is something our community can hold up and be proud of. As we move into the busy summer months, remember to take time for family and friends, its so important to make that a priority when we can.

### **Library Donations**

Lois Piercy - 3 books

### **Other Donations**

Memorial Donation from Diane Berry -

Jessie McAtee \$50 & Adele Hale \$30
