Meet Echo's Newest City Employee

The new smiling face behind the Echo City Library's desk is Anna Lemmon. Anna is a wife and mother of four, who also cares for three foster children. She is a Hermistonian by birth and has lived her entire life in Umatilla County. She currently makes her home in Stanfield and has served as a Stanfield Public Library volunteer for the past nine years.

Anna loves books and children and is looking forward to getting to know the residents of Echo that she doesn't already know. Her hobbies include reading and playing games.

She wants you to know that she has established a pre-school story time on Mondays at 10:30 a.m. in the library and hopes to facilitate a craft time on Fridays at 2:00 p.m., as well.
